ICO

ICO is a way which enables Bitrola Coin to fund our activities including building and developing our core Team, the ecosystem for our apps, and running marketing campaigns so that Bitrola Coin brand-awareness and Bitrola Coin reputation would be successfully built.

The sooner the investors buy Bitrola Coin, the higher earning potentials they would gain, both in the short term and in the long term.

In the short term, the price would increase rapidly right after ICO, and you could earn money through Trading, Lending, Staking or Mining program.

There are several ways to earn profit with Bitrola Coin, and buying ICO coin at the best price enables you to optimize your investment. Therefore, you should not miss any latest information about ICO calendar, so that you can be among the first individuals who could buy the coin with the best price.

On behalf of Bitrola Coin Team, we thank you for your interest in our White paper. The White paper has given you a brief summary about our mission and vision, our commitment to all of you. To fulfill our commitment, we have organized our Team as below:

Development Team

This is our key Team, on whom we have invested a huge amount of budget so that our Team could continually improve and generate outstanding and stable technology value for Bitrola Coin. It is our great honor to have a chance to work with the most talented and leading groups in our digital currency field. We commit to cooperate and try our best to provide you with the most advanced and breakthrough products and services.

Management Team

A remarkable success requires a long term vision as well as leading management experience, that is the reason why we decide to work with the most experienced and talented managers in technology, marketing, business field.

Consultant Team

Instead of wasting time on things that has not been approved to be feasible, we choose to work with experienced and successful people, who know what to do to realize their financial success with a number of projects and what to do to help others to do so.

Third party partners

Beside our own team, we also cooperate with Third party partners. We believe that with their experience and ability, they would contribute a lot to the success of Bitrola Coin. We have always considered whom to work with, so that we all together would p

WHO COULD BE POTENTIAL USERS AND INVESTORS OF Bitrola Coin

All types of business including traditional business, e-commerce business and all kinds of individuals who need to transfer money to their clients, suppliers, or to their friends and families. Beside those people with particular usage purposes, investors will use Bitrola Coin as a way to diversify their investment portfolio. Those investors invest in Bitrola Coin as they believe that with the expansion of Bitrola Coin community and the development of Bitrola Coin outstanding apps, Bitrola Coin price will increase over time.

Investing in Bitrola Coin today is your investment for the future. Despite our desire, advanced payment applied blockchain technology will gradually replace the traditional payment model today.

This summary is a brief description of what we will turn to do in the short term. In the long term, we continue to update our strategies and initiatives as well as be ready to listen to innovations and to continually improve so as to constantly respond to the higher demands of reality

We believe that Bitrola Coin – a DIGITAL CASH will be the next generation of advanced solution for global money transaction. Don't wait until the day someone tell you that just by cashing in on the BC opportunity from the very beginning, they would earn a great benefit, which would make you regret not giving it a try when you come across this information today. Being successful with BC from the very beginning (ICO time) requires very little capital and allows you to experiment a lot. This is what I love about BC the most. Actually, many people would not be so excited when they come across the information about BC elsewhere, however, trust BC and start your investment right now really deserves your try.

Thanks
